

Koraffi

(Boat trip/ Half day with 1 and 2 dives)

Distance: 10 minutes by boat north from Port Ghalib

Description: Koraffi is the name of the family, which built Port Ghalib. In this place, they built their private villa. The place is well protected and nice coral blocks have grown here. The reef at this wall drops down to 10 meter and then there is a stretch of coral blocks that extend until 25 meter. Entrance from the boat platform or drift dive from the zodiac.

Flora and Fauna: Eagle ray, turtle, nudibranch, anthias, fusiliers, grouper, mackerel, moray eel, goatfish, angelfish and scorpionfish.

Difficulty: Easy, less current. Suitable for all diver levels and snorkelers

Depth: 5 – 30 meter
