

Marsa Shouna

(Boat trip)

Distance: 45 minutes by boat south from Port Ghalib

Description: The bay is 360 meter wide and has a big seaweed area sloping from 2 m to 25 meter depth. Here you can do several dives. One dive starts at the wall in the north and goes one way to the mooring place. Second dive starts under the boat where you can find many small coral blocks on the sand ground in shallow area. Next possibility is the south side with a wonderful coral garden and finally you can dive in the sea grass where you might find some bigger animals.

Entrance from the boat or drift dive by zodiac.

Flora and Fauna: Indian mackerel, turtles, crocodile fish, stonefish, wrasses, parrotfishes, nudibranch, anthias, surgeonfishes, unicorn fish, hard coral and sometimes white tip shark.

Difficulty: Bay is very well protected. Suitable for all diver levels and snorkeler.

Depth: 5 – 25 meter
