

Umm Elros

(Boat trip)

Distance: 15 minutes by boat south from Port Ghalib

Description: In this big bay you can do several different dives. North of the bay is a stunning coral garden which we do as a drift dive. Where the boat moor we dive in a shallow coral garden with many small blocks and a set of pinnacles. Here you find the anemone city. Another dive can be in the sea grass where turtles and rays can be found. Another huge coral garden can be found in the south side of the bay where you can do at least two more dives.

Flora and Fauna: Green turtle, dugong, rays, stonefish, barracudas, crocodile fish, wrasses, tuna, surgeonfish, parrotfish and a lot of anemones with clownfish

Difficulty: Very little current. Suitable for all diver levels and snorkelers.

Depth: 3 – 23 meter
